

Hindustan Power Provides Clean Drinking Water with Installation of 15 Water Coolers in Anuppur

Anuppur, March 24, 2025 – Demonstrating its commitment to corporate social responsibility (CSR), Hindustan Power has installed 15 water coolers across various public locations in Anuppur, ensuring access to clean and cool drinking water for local residents.

The initiative addresses the critical need for safe drinking water, particularly during the approaching summer months. Water coolers have been strategically placed at key locations including the Tehsil Office, Jaitahari; Ward No. 6 Chowk, Jaitahari; Mini Chowpatty, Ward No. 7, Jaitahari; and numerous government schools, including Government Model School, Murra, Jaitahari; Government Girls Higher Secondary School, Jaitahari; and Government Higher Secondary School, Chaulna, among others.

This effort aims to provide a continuous supply of clean drinking water to rural communities, educational institutions, and public areas, offering significant relief to residents and students.

The distribution program took place at Government Model School, Murra Laharpur, where teachers and company officials celebrated the initiative. CSR Head Satyam Salil and officer Vikas Rai represented Hindustan Power. School faculty members, including senior secondary teacher Shweta Tiwari, secondary teacher Vibha Gupta, and guest teacher Man Kumari Rathore, were also present.

Teachers at the event expressed their appreciation, stating, “Hindustan Power’s CSR department consistently prioritizes the needs of our schools. They responded promptly to our request for water coolers, ensuring installation before the peak summer season. This initiative will greatly benefit our students and the local community. We are grateful for the company’s support.”

Company officials emphasized the importance of this initiative as a step towards social welfare. “Our ongoing effort is to meet the basic needs of society,” they stated. “Ensuring access to clean drinking water is a top priority, and we are committed to continuing such welfare initiatives in the future.”

Local representatives and beneficiaries also conveyed their gratitude to Hindustan Power, acknowledging the positive impact of the initiative on the community.

About Hindustan Power:

Hindustan Power is a leading independent power producer with a global portfolio of renewable and transitional electricity generation assets with a focus on the high growth Indian market. The company is committed to providing sustainable energy, leveraging its extensive expertise in power generation, development, and operations.
