

## **National Safety Week Celebrated at Hindustan Power Plant Campus**

**Anuppur, 12th March 2025:** From March 4 to March 11, 2025, Hindustan Power organized National Safety Week at its plant campus, hosting a series of programs to enhance safety awareness.

The week culminated in a closing ceremony on March 12, 2025, graced by the presence of District Traffic Officer Ms. Jyoti Dubey as the chief guest. Emphasizing the critical role of safety in industrial development, she stated that while skilled labor is indispensable, its effectiveness is nullified without stringent safety measures.

Company Plant Head and COO, Mr. Anand Deshpande, addressed the gathering, remarking, "Safety Week is like a festival—a celebration of our commitment to safety. It reminds us to integrate safety into our daily routines because without it, a prosperous and secure nation remains a distant dream." He also reiterated the commitment to this year's National Safety Day theme: "Safety and Welfare are Essential for a Developed India."

Maintenance Department Head, Mr. T.M. Pai, underscored the necessity of strict adherence to safety protocols, noting that timely reporting of near-miss incidents can avert major accidents. "Safety is our highest priority, and we ensure full compliance with all safety standards," he added.

Dr. Bhola Prasad Kushwaha, Head of the Environmental, Health, and Safety Department, along with his team, presented the safety performance report and shared the department's annual achievements. Various competitions—including a safety awareness rally, poster contest, quiz, slogan writing, and speech competition—were organized throughout the week, with outstanding participants recognized and rewarded.

Additionally, the management presented several departmental awards: the Boiler Maintenance Department received the Best Safety Model Award, the Electrical Maintenance Department was honored with the Best Safety Council Award, and the Mill Maintenance Department earned the Best Housekeeping Award. Employees, engineers, managers, and safety supervisors who made exceptional contributions were also recognized with certificates and awards.

The event concluded with the safety department expressing heartfelt gratitude to all officers, employees, and participants for their enthusiastic involvement, making National Safety Week a resounding success.
